Mr. Francis O. Wilcox  
Executive Director  
Commission on the Organization  
of the Government for the  
Conduct of Foreign Policy  
2025 M Street, N.W.  
Washington, D.C. 20506

Dear Fran,

My staff is in touch with Kent Crane and has provided a detailed unclassified study in response to your request on Soviet intelligence efforts abroad during the period of detente. The study deals with Soviet espionage and covert action activities which either directly or indirectly effect the United States. It makes a clear case that such Soviet efforts have increased, not declined in the era of detente.

Sincerely,

/s/ Bill

W. B. Colby  
Director

MEMORANDUM FOR: Bill,

IC Staff forwarded a DDO study to Crane. It is a solid review, and might be of use to you as background during your various hearings. We are providing Binder of the New York Times an expanded version coupled with a briefing next week.
